

360 Degrees Realty Pty Ltd, trading as Harcourts 360 Degrees Realty is wholly owned by Garry and Stephen Ahearn and provides real estate services to clients within the greater Redland Shire and selected areas of Brisbane.

We manage the rental and leasing of approximately 320 residential properties on behalf of our investors and operate a separate sales division which has a team of sales agents highly motivated and dedicated to sell property at the highest price possible for our clients.

Our Vision:

To be the investors First Choice for property management services and operate a successful Real Estate Sales Agency within the greater Redland Shire and selected areas of Brisbane

Our Mission:

Consistently exceed our owners, tenants and sales client's expectations by providing the right framework for our team to excel in their area of responsibility. To strive for competitive advantage by utilizing knowledge, superior technology & systems, training & development of our people, benchmarking, infrastructure and the environment necessary for us all to enjoy our jobs and love coming to work!

Our Core Values:

- ✓ Respect each of our team members, owners and tenants and treat them with dignity at all times
- ✓ Provide every team member with an opportunity to develop to the best of their ability
- ✓ At all times be mindful of our responsibility to be a good corporate citizen
- ✓ Provide training and development programs and initiatives that empower our people
- ✓ Regard communication as critical to all involved
- ✓ Be environmentally conscious
- ✓ Provide a neat clean and tidy environment for each team member to work in
- ✓ Always conduct ourselves in an ethical and honest way
- ✓ Go about our day to day business with a sense of urgency in everything that we do!
