Innovative distribution of your property's information direct to buyers will give you a significantly higher chance of making a quick sale at the best possible price.

Harcourts QR Codes:

- Spark genuine interest in your property which equals less time wasting from buyers.
- Attract sharing and viral marketing of your property from genuine buyers who are time poor and always on the go.
- Help establish a genuine, trusted relationship with buyers for a quick sale.
- Help busy buyers in their search for a new property.
