Hamish Mill - Testimonial

We take pleasure in providing a testimonial for Hamish Mill in respect to his role as agent and auctioneer for our property in Fullarton. Our property went on the market at the start of October and was sold at auction before the end of the month. We were extremely satisfied with the service we received from Hamish. He was at all times professional and polite. He maintained regular communication with us throughout the sale process and ensured that we had regular updates as developments occurred. Hamish spent time with us to develop the selling strategy for our property and in doing so he provided us with insight and guidance which was invaluable, especially as this was the first time we had sold real estate.

On the day of the auction, Hamish handled the process with confidence and skill, making sure that we received the best possible result. Our property sold well in excess of the reserve. In an uncertain market, this was a 'best case' scenario for us and much of the credit for this can be attributed to Hamish's skill as an auctioneer and agent.

We would strongly recommend Hamish to anyone seeking to sell their property in the Adelaide market.

Yours sincerely,
