

Harcourts Ballarat Open for Inspection Ratings.

Tips to a successful open for inspection.

1. Check to see if the property is in the right location.
2. Bring a tape measure to check if your furniture will fit.
3. Use our checklist to record and rate all properties viewed.

We know that you are likely to be looking at quite a lot of properties during your journey in finding 'The One'. We understand it is hard to keep up with what is good and not so good with ALL of them. Please take this along with you to all of your property inspections. We hope it helps you better evaluate every property you see. **Happy House Hunting.**
